Starting April 12th, as part of our Church Membership class, we will be offering the “ALPHA” program, which gives a practical introduction to the Christian faith through videos and discussion. It deals with such questions as “Who Is Jesus Christ?”, “What is the meaning of life, or what gives meaning to life? What happens when we die? What relevance does Jesus have for our lives? How do we deal with guilt?”

Although we are using it as part of our Church membership classes, it’s a program for anyone and everyone interested in finding out more about the Christian faith. If you have these or other questions about the Christian faith, you are more than welcome to join us, Thursday April 12th at 7:30 p.m. Come out and have a “Faith-lift”!
